This programme is for young adults aged between 15 and 20 years' old who are looking to enjoy their holidays whilst studying Spanish at a reasonable price.

The lessons are serious but fun; our teachers are professionals who understand that you are studying but also on vacation. There is a special activities programme and our activities managers will help you enjoy Malaga to the maximum.

Duration: 2, 4 or 6 weeks.
All levels: Beginner to Advanced (4 main levels).

• **Young Adults:** 15 less/week (max. 10 students per class)

The study materials have been adapted to take into account the different interests of this age group. To emphasise the seriousness of the language teaching, you will also need to attend all your classes and do homework as well as sit an end of course examination which we organise every two weeks in class hours.

Whatever your purpose you will be assured of having a great time and the chance to make friends with other students from around the world as you practice your Spanish.

• **Young Adults PLUS:** 15 less/week
Max. 10 students per class. **+ 4 less/week 1-1**

If you are studying Spanish at school and want to get the best marks possible, this is what you are looking for.

You have all the fun and social networking of the group lessons but then you get the individual tuition which will allow your teachers to concentrate on the specific areas you need to revise and improve on.
